

Nissan Forklift

Nissan takes great pleasure in achieving complete consumer satisfaction, when their client is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and detail-oriented quality values to their customers. Incorporating a rich heritage combined with strong manufacturing principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide needs of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the company has four independent manufacturing facilities that permit them to persistently adapt to their customers continually evolving wishes by offering a range of progressive ideas and designs.

The Nissan Forklift North and South American foundation is stationed in Marengo, Illinois. A dedicated team of 350 personnel is fully committed to the support, design and fabrication of their goods. Operating under the ISO-9001 and ISO-14001 certifications, helps every sector of the Nissan Forklift Corporation to preserve environmental responsibility by utilizing systems that minimize the worldwide influence of their goods and processes. These high standards remind customers that Nissan operates under the quality seal that their customers require while being an environmentally aware company.

Nissan is quite certain that any of their clients questions and customer considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally sanctioned dealers or even visiting their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
